Youth Camp & Exchange Lions Denmark 2016

On behalf of Lions Denmark – MD106 – is it a great pleasure to present the Danish Youth Camp & Exchange programme 2016.

In the summer 2016 programme there are 2 regular and 1 sailing Youth Exchange camp in Denmark and 1 regular camp on Faroe Islands all combined with host family stay before the camp. Be aware of the different camp periods.

Each of the Camps will expose different parts of the Kingdom of Denmark and the Faroe Islands with its history, fairytales, nature, energy and above all – friendship and hospitality.

We offer the YCE-students from all over the world a two weeks camp. The YCE students from countries in Europe will all be offered one-week host family stay.

The YCE-students from other continents are offered a two weeks host family stay in Denmark. All youth going to the camp in the Faroe Islands is offered one-week host family stay.

There might be expenses for domestic transportation.

We hope that you will take part in our Youth Camp & Exchange programme by sending mature, open-minded young people, who have not been on an YCE exchange before and are prepared to enjoy and benefit from the idea in Lions Clubs International objective no 1: “To create and foster a spirit of understanding among the peoples of the world”.

We are looking forward to receiving YCE Students from your country.

Yours in Lionism, MD 106 YCE Chairperson
