

I. Hybrid Lions regioCAMP Rhein-Mosel 2021

Hello,

If you are interested in foreign cultures and countries, joint activities and making international friendships, then we would like to present you the „Hybrid Lions regioCAMP Rhein-Mosel 2021“ which will take place online and on site this summer.

This camp will provide participants (virtual participants and participants on site in mixed teams) numerous exciting activities and projects, team challenges and much more. The continuous participation of the international participants is ensured via the FindMe! APP.

Here is an overview with all the facts:

- **Period:** 07/18/2021 bis 07/31/2021 (online – for national and international participants and on site in the region Rhine and Moselle – for Germans only)
- **Age:** 16-21 years
- **Camp language:** Englisch and German
- **Camp fee:** None
- **Main topics:** In mixed teams (virtual participants and participants on site) the youths will participate in national and international sustainable projects, visit regional companies and participate in thrilling activities and games.
- **Activities:** Various workshops such as photo workshop with a well-known photographer, video workshop and Geomatic workshop, various projects such as building sustainable furniture made of ecobricks or working on a sustainable houseboat. Visits to regional companies to investigate opportunities for international studies and training programs. Speeches and discussions with experts, virtual sightseeing of various German cities, cooking event, camp challenges via mixed Zoom teams (building a man-carrying paper-boat, quizzes, video challenge, etc.), campfire discussions and much more.
