YCE Camp

Szczecinek 2017

Szczecinek

is a small charming city, founded in the 14th century, with 40.000 inhabitants, surrounded by forests with a lake in the center.

It is a wonderful place both for sport fans and active life lovers and for all those looking for relaxation and leisure. It offers a wide range of indoor and outdoor activities - cycling, jogging, gymnastic and fitness. There are also a lot of water sports facilities.

Our city has been admired by Lions Camp participants already for 5 years.

We offer an accommodation in a new building in the City Park next to the Trzeciecko lake with the most beautiful view in the city.

Our Camp gives a unique opportunity to meet new people of various cultures, to know their countries and customs. The participants may also taste various cuisines and cook their national dishes.

There is also a possibility to try excellent Polish food.

During the Camp we offer:

- **teambuilding activities,**
- **paintball,**
- **kayaks,**

- **waterskiing and wakeboard,**
- **orienteering and survival games,**
- **shooting competition,**
- **long walks and sightseeing (Warsaw),**
- **gym, swimming pool and team games.**

It is required from the participants to prepare a 15 min. interesting presentation of themselves, their hobbies, families, friends, neighbors and their closest surrounding in home country.

It would be nice if the participants could cook and bring some spices and/or snacks to treat others.

As previous years showed, our program makes the stay at camp extremely interesting and lets everybody test themselves in different situations. Because of many sport activities offered during the camp, a basic physical fitness is desirable.

We guarantee tears at the end of the camp.

No matter how long it lasts it's always too short for the participants

Our Camp is a place where a boredom is absolutely impossible!

Note - no alcohol, no drugs!!!!
