COVID-19 ANTI CONTAGION PROTOCOL

- 1) Campers who have Covid symptoms (fever, cough, etc.) MUST NOT start the trip to Italy and to Lions Youth Camp & Exchange Program;
- 2) only candidates who have undergone the complete vaccination cycle and therefore in possession of a "Super Green Pass" (therefore excluding the "Green Pass Base" - obtained from a Covid test) will be accepted at Lions Youth Camp & Exchange Program;
- 3) all Campers, upon their arrival in Italy (Family or Camp) MUST be tested on day of arrival (not necessarily at the airport):
 - a. if the participant arrives first in the Host Family, the host family must run the Covid test to the participant the same day of his/her arrival;
 - b. if the participant arrives first in the Camp, the Camp must run the Covid test to the participant the same day of his/her arrival before joining the group;
 - c. if the participant is hosted first by the Family and then by the Camp, the Covid test must be run TWO times (therefore, whoever does Host Family + Camp, will do TWO Covid tests = one at the arrival in the Host Family and one at the arrival in the Camp);
- 4) all participants in the Camp (Director and Staff members) will be Covid tested on the first day of the Camp and before joining the group;
- 5) other Covid test will be run during the camp period only in presence of Covid symptoms;
- 6) the Camp Director may submit participants to a Covid test in case of need (e.g. symptoms or close contacts): those who refuse, will be immediately excluded from the program and returned home at their own expense;
- 7) the cost of the Covid test will be paid by the participant, unless the Host Family or the Camp make different voluntary choices;
- 8) if a participant should extend the stay at the Camp due to a positive Covid test result, the extra costs (room and meals) will be paid by the camper;
- 9) as a warranty, all participants upon arrival at the Camp will have to pay a cash deposit of 150,00 Euros. The refund will be made if the participant has always been negative and has not generated extra costs to extend his/her stay at the Camp.

All youths have to directly provide to the respective YCEC in charge in their own country with their vaccination or recovery proof.
