Come to Calabria

Calabria is a wonderful land, steeped in beauty and ancient culture that retains the charm of diversity and purity, in a phantasmagoria of lights, colours, sounds, scents and flavours. It appears as an unspoiled and virgin paradise. The beautiful coastlines, natural reserves, cultivated hillsides majestic mountains, breath-taking landscapes, where the clear blue sea and the sky form a single panorama, smell of authenticity. Temples and domus, castles, churches and monasteries are rich of traditions, legends and history. these enchanting treasures, hidden, like little jewels in a beautiful casket, behind unimaginable and hidden nooks and crannies of an unknown, yet rich world of wonders, make this region attractive and interesting to Italian and foreign visitors! !!

There are, in fact, places where history seems to exhale and evoke ancient sources, where the warmth of the sun and the people, the lush and luxuriant nature, the authenticity of the villages, the thousand- year history and the immeasurable heritage of customs, traditions and folklore, excite the souls. Villages that look like cribs, clinging to the slopes, from where they seem to defy gravity, hidden and isolated from each other, which have forged the strong character of their inhabitants!

There are places where everything seems to have happened, where many destinies have been decided, where cultures and identities have mixed, where nature, often, has tragically renewed the design of the urban fabric!

Excursions to discover Calabria, magically, become a unique experience, to live, breathe its true essence and return home remembering its wonders! not only works of art and architectural monuments, but also traditions, local gastronomy, typical products, handicrafts, folklore; an area that encompasses a variety of scents and flavours, environments and panoramas, juxtaposing a rich vegetation with the changing colours of the sea that bathes a long coastal stretch of superb beauty; an extraordinary heritage, made of natural beauty, art, history, culture, traditions of an ancient land, but always young.

Indeed, Calabria is the cradle of a thousand-year history, a crossroads of very different cultures and civilizations; a still virgin world where everything alternates, between ancient and modern.

So... come to Calabria and discover it with us! You will feel like you are living many lifetimes!
