Meet the World in Denmark

Lions Denmark 2023

On behalf of Lions Denmark – MD106 – is it a great pleasure to present the Danish Youth Camp & Exchange programme.

Our 2023 Programme will consist of two exciting youth camps, both exposing different parts of the Kingdom of Denmark with its history, fairy tales, nature, energy and – above all – friendship and hospitality.

We offer YCE Students from all over the World a two-week international youth camp.

Before the camps, we offer YCE Students from Europe and countries around a one-week stay with a host family.

YCE Students from other continents are offered a two-week stay with a host family before the camps.

We hope that you will take part in our Youth Camp & Exchange programme by sending mature, open-minded young people, 17 – 21 years old, who have not been on an YCE exchange before and are prepared to enjoy and benefit from the idea in Lions Clubs International objective no 1: "To create and foster a spirit of understanding among the peoples of the World".

We look forward to receiving YCE Students from your country.
