

International Lions Youth Camp MS 2025

Get to know our scenic region, where stunning castles, majestic palaces, and a rich history of winegrowing – dating back to Roman times – await you. Experience ancient architecture and immerse yourself in the family life of a German household. Join us for a boat trip on the Moselle, or get your adrenaline pumping with activities like swimming, hiking, and climbing.

We’re excited to welcome you to our beautiful region, right at the border of Luxembourg and France, especially the historic town of Schengen. Here, on June 14th, 1985, the first agreement to strengthen the European internal market between Germany, Luxembourg, France, Belgium and the Netherlands was signed – an event that changed our shared history!

Each young person is invited to share their culture during a special evening at the youth hostel. Bring your creativity – whether it’s a PowerPoint presentation, a lecture, or musical performances with your instruments.

Join us for an unforgettable adventure in the heart of Europe!

Homestay Time
June 21th to June 28th, 2025
