International Lions Youth Camp OM 2025

At our inclusive camp, you'll have plenty of chances to make new friends, share your culture, and take part in exciting activities. One of the highlights will be the National Nights, where you can present your country, your culture, and a bit about yourself and your family – in German, of course! Feel free to bring a small souvenir to share with others.

We'll explore the Oberhof Sports Facilities, try biathlon, sports shooting, and even have a summer snowball fight. You'll also visit Hainich National Park with a ranger to learn about the local wildlife and plants. Remember to pack your hiking boots, rainwear, and sun protection!

Other adventures include visiting Wartburg Castle, followed by a youth club BBQ, testing fire-fighting tech at the youth fire department, and a rock climbing day. There's also a hike to a water reservoir and an old sawmill, plus fun swimming trips—don't forget your swimwear and sun hat.

Throughout the camp, there's plenty of time to relax and chat.

If you have specific needs, just let us know – we're happy to accommodate people with disabilities.

We can't wait to see you there and create unforgettable memories together!
