Explore Berlin, the Baltic Sea, and Beyond: A Thrilling Summer Adventure!

Berlin Calling – Your adventure kicks off when your host family greets you at Berlin Airport or at the Berlin main train station. Your journey begins as your host family greets you at the airport or main train station, welcoming you into the heart of the German capital. You'll become part of a local family, experiencing authentic German culture firsthand—and who knows, you might meet other Lions Camp participants at a fun barbecue night to kick things off!

After settling in with your host family for a week, the fun continues with a cool welcome party in Berlin, where you'll meet fellow campmates and get ready for the next two weeks of exploration.

Baltic Sea Bliss

Your first big adventure takes you to the stunning Baltic Sea! Head to Warnemünde, a charming seaside resort with the widest sandy beach on the German Baltic coast. It's the perfect place to relax, take part in water sports, or just chill with your new friends.

Nature Escapes

Next, immerse yourself in the beautiful landscapes around Berlin. Explore Germany's largest inland lake, the Müritz, and its nearby national park. A two-day stay in Märkische Schweiz will take you through forests, valleys, and meadows, with time to swim in crystal-clear lakes and enjoy nature. Spend the nights under the stars in rustic teepees, with campfire fun and plenty of adventure.

Discover Berlin and Potsdam

No trip to Berlin is complete without exploring its buzzing city life! Tour the iconic German Bundestag with its famous glass dome and meet experts at the German Foreign Ministry to discuss Europe's future. Explore Berlin's vibrant nightlife in Prenzlauer Berg, check out a cool motorcycle factory, and dive into the city's rich history.

Finish off with a bike tour through Grunewald and a swim at the scenic Wannsee — in Berlin, there's always something new to discover!
