Activities	<p>Did you know that cooking can help soothe stress, build self-esteem and curb negative thinking by focusing your mind on following a recipe? Imagine having a week-long cooking class in a gorgeous metropolis with your soon-to-be best friends, then adding some more summer-time fun activities, and finally, season it with casual chitchat over a cup of Turkish coffee... and voila! You've got Delightful Istanbul. Comprehensive gastronomic workshops, tastings, and even giving you all a chance to shine behind the stove. Afraid you're gonna burn something? No worries!, we even planned a full-day Firefighter Training where you get to dress up(yes the whole bunker coat and helmet) and learn how to handle the flames. Ever had a Turkish coffee fortune reading? Well now not only you will get one, but you will also get to learn the occult art behind it. These and many more, with a Cook-Off on our last day of the camp where you'll produce a fusion masterpiece with your cooking partner will all be a part of your journey with us.</p> <p>Special Requirements: This camp is for people who not only like to cook, but also are willing to. You'll be expected to cook(whether it be by yourself and/or helping out your fellow campers). This camp is not for you if you're a picky eater, on a strict diet(whether by choice or necessity), or have a medical condition that forbids you from consuming a wide range of food options.</p>
